

## Consciousness Revolution Soviet Philosophy Bolsheviks

**zbignew brzezinski between two ages - take over world** - introduction perhaps the time is past for the comprehensive "grand" vision. in some ways, it was a necessary substitute for ignorance, a compensation in breadth for the lack of depth in man's understanding of his world. **black skin, white masks (get political)** - viii black skin, white masks of nazi germany. while serving in the military, fanon experienced racism on a daily basis. in france, he noticed that french women
